- Check that the subject's name, birth date and other personal data are correct
- Ensure that you have selected the correct school. Many schools are similarly named. Use the location to assist you in your selection process.
- Resubmit your request at www.degreeverify.org if any of the information has changed.

If the subject reaffirms receipt of the academic credential, obtain a copy of the degree and fax it to us at **703-318-4058**, along with the Transaction ID for this request. We will work with the school to determine whether or not the record(s) is genuine.
